

Harness the power of investing, replace your income and retire early. Tim Levy's book, 'Forever Money' shows readers how they can begin NOW

Tim Levy and Associates Wednesday, June 2nd, 2021

Newcastle, NSW, 2 June 2021 – Businessman and author, Tim Levy, is proud to offer his 9th non-fiction work, **'Forever Money'**, hitting Amazon on 25 May.

'Forever Money' is an informative and practical guidebook with real-world steps to help readers think differently about their money. It teaches, in simple terms, how to harness the power of investing to pay yourself automatically, every month, ultimately earning all of your time back, forever.

Several years ago, whilst living in the USA, author, speaker and CEO, Tim Levy, had a lightbulb moment in a conversation after speaking on digital business and marketing strategy at an entrepreneurial conference. The conversation had turned to financial intelligence and investment strategy, and he realised... he had none.

"Investment was something that had never made it onto my list of things to figure out. Investment was something for rich people, people who had money to invest," or so he thought.

Tim realised, like most people, his experience in investing had been limited "to finding a better bank account, trying a term deposit account, and, once, a gently disastrous foray into a share portfolio fund". His schooling had ill-equipped him with the practicalities, and they're rarely discussed with our friends or family, leaving us all in the dark. So, how do you learn the real-world strategies to gaining financial freedom if no-one talks about it?

Driven by this desire, Tim went on a personal mission to learn the secrets of the wealthy. With unique access to those in the know, as a regular speaker to CEO groups of high net-worth individuals, he had those tricky conversations. "I distilled that information, applied it over years to my own finances, honed a system and built a passive income portfolio. Now, I've reached the point where I could semi-retire if I wanted to. It's an amazing feeling! I'm delighted to share what I've learnt about investing, creating passive income and earning your time back so that everyone can enjoy Forever Money too."

Tim's clients and readers have shared, "I'd really like to say how much I appreciate your common sense, realistic approach to helping folks like us who have big dreams, are working 18 hour days and giving us real solutions to help us get our lives back." "Revealing, intuitive, genuine, insightful, honest, perceptive, action-based, dynamic, present/actual, and truthfully.....life-changing." and, "Tim will help you realise that you can live a life you have always dreamed of, give you a road map and bring it to reality."

'Forever Money' has been written for anyone who wants to make the most of their money, invest wisely, replace their income and retire early. **That's financial freedom. That's Forever Money.**

Forever MONEY

HOW TO GET INTO INVESTMENT, REPLACE YOUR INCOME
AND GET ALL OF YOUR TIME BACK, FOREVER.

TIM LEVY
WITH TONY SINGH

FOR IMMEDIATE RELEASE

Harness the power of investing, replace your income and retire early.

Tim Levy's book, 'Forever Money' shows readers how they can begin NOW.

Newcastle, NSW, 26 May 2021 – Businessman and author, Tim Levy, is proud to offer his 9th non-fiction work, 'Forever Money', hitting Amazon on 25 May.

'Forever Money' is an informative and practical guidebook with real-world steps to help readers think differently about their money. It teaches, in simple terms, how to harness the power of investing to pay yourself automatically, every month, ultimately earning all of your time back, forever.

Several years ago, whilst living in the USA, author, speaker and CEO, Tim Levy, had a lightbulb moment in a conversation after speaking on digital business and marketing strategy at an entrepreneurial conference. The conversation had turned to financial intelligence and investment strategy, and he realised... he had none.

"Investment was something that had never made it onto my list of things to figure out. Investment was something for rich people, people who had money to invest," or so he thought.

Tim realised, like most people, his experience in investing had been limited "to finding a better bank account, trying a term deposit account, and, once, a gently disastrous foray into a share portfolio fund". His schooling had ill-equipped him with the practicalities, and they're rarely discussed with our friends or family, leaving us all in the dark. So, how do you learn the real-world strategies to gaining financial freedom if no-one talks about it?

Driven by this desire, Tim went on a personal mission to learn the secrets of the wealthy. With unique access to those in the know, as a regular speaker to CEO groups of high net-worth individuals, he had those tricky conversations. "I distilled that information, applied it over years to my own finances, honed a system and built a passive income portfolio. Now, I've reached the point where I could semi-retire if I wanted to. It's an amazing feeling! I'm delighted to share what I've learnt about investing, creating passive income and earning your time back so that everyone can enjoy Forever Money too."

Tim's clients and readers have shared, "I'd really like to say how much I appreciate your common sense, realistic approach to helping folks like us who have big dreams, are working 18 hour days and giving us real solutions to help us get our lives back." "Revealing, intuitive, genuine, insightful, honest, perceptive, action-based, dynamic, present/actual, and truthfully...life-changing." and, "Tim will help you realise that you can live a life you have always dreamed of, give you a road map and bring it to reality."
