SCJ News Victoria Thursday, December 30th, 2021

Melbourne, Australia, 29 December 2021 - “Shincheonji Online Seminar: Testimony on the Parables of the Secrets of Heaven and Their True Meanings” is held by Shincheonji Church of Jesus, the Temple of the Tabernacle of the Testimony. This round of seminars focusing on understanding parables written in the Bible in the New Testament will be on Youtube live-stream every Monday and Thursday at 12pm (AEDT) from January 3rd to March 28th.

“Parables are the key element to understanding the secrets of the kingdom of heaven. The prophecy of the Old Testament was fulfilled at the time of Jesus in his first coming. Now Jesus left his prophecy of the New Testament to be fulfilled “when the time comes” (John 16:25). We are heading towards the true meaning as the prophecy is revealed,” said an official of the church.

The previous seminars on the book of Revelation for the last three months on YouTube were released in 24 languages and reached 7 million views in 136 countries including 16,000 pastors as participants. Shincheonji Church of Jesus said that 1,200 global church leaders in 57 countries have signed MOUs with the church to boost international cooperation and exchanges for educational support.

As for the signing, Pastor Jerry Hagerman of Wayside Mission Church in Virginia, USA, said, “I want to be able to grow in the word and I want to teach our congregation ... and help bring them from death to life. I want to be one with God's kingdom and have open communication.”

In a recent report in December 2021 from Pew Research Center's National Public Opinion Reference Surveys, 3 out of 10 adults in the United States are now religiously unaffiliated. The most affected in the fall in the religious population is the Protestant among Christian denominations that have shown a steady decrease from 52% in 2007 to 40% in 2021.

This trend is also reflected by another investigation from Lifeway Research in Nashville that says most Americans consider Jesus as a historical fact but religiously have no biblical knowledge about why he came. According to the report, only 9% of the 1,005 respondents knew that his mission was to give open words (fulfillment) of the Old Testament.

On the other side of the globe, an increasing number of people are affiliated with a religion. Contrary to the decrease in traditional denominations, over 140,000 people have joined the Shincheonji Church of Jesus after the Bible education course since 2019 and the subsequent COVID-19.
