

GLiNTECH Receives Atlassian Partner of the Year 2021: Cloud Migration Services

Global Integration Technology Pty Ltd Wednesday, April 6th, 2022

SYDNEY, Australia April 6, 2022 Atlassian announced today that **GLiNTECH**, an Australian IT services provider for Australia's leading enterprise companies, has received Atlassian Partner of the Year 2021: Cloud Migration Services for their outstanding contribution and achievements during the calendar year 2021. This includes exceptional efforts in developing new business, thought leadership, and products and services that complement Atlassian.

GLiNTECH was one of 26 global partner recipients honored in the annual Atlassian Partner of the Year program for our continuous efforts and exceptional customer work.

"Atlassian would like to congratulate this year's Partner of the Year award recipients," said Ko Mistry, Atlassian's Head of Global Channels. "Our partners go above and beyond for our customers and play an instrumental role in our customers' success. We are excited to spotlight some of our top partners who provide cutting edge solutions and Atlassian services to our customers."

"Our migration team have done some incredible work in this space so I'm thrilled to have that recognised by Atlassian", said Robin Scanlon, GLiNTECH's Professional Services Director.
